### **Training Centre:**

**Bird Associates**  
Centre No. A/I/Z 54905

### **Tutor:**

**Peter Bird** FCIEH; MRSH; FBICSc  
*Chartered Environmental Health Practitioner*

*An internationally recognised training course of 2.5 days with a 2 hour examination (multi-choice questions)*

*Topics covered include:*

- *Introduction to Supervisory Management of Food Safety*
- *Bacteriology*
- *Food Poisoning & Food-Borne Disease*
- *Physical Contamination of Food and its Prevention*
- *Food Storage & Temperature Control*
- *Food Preservation*
- *Design & Construction of Food Premises*
- *Pest Control*
- *Legislation*
- *Supervisory Management*
- *Personal Hygiene*
- *Cleaning & Disinfection*

*This course is suitable for people at supervisory management level who already have a good foundation knowledge of food safety and who wish to increase knowledge in key areas - particularly regarding HACCP – (Hazard Analysis & Critical Control Point) - Application, Implementation and Ongoing Monitoring of Controls*

*Meets the requirement, included in food safety regulations in many countries, for at least one operative in a food business to have a good working knowledge of HACCP principles. Catering, food manufacturing or retail exam options*
